### ABOUT THE PROGRAMME

One-to-one intensive courses are ideal for those who need to improve their language skills quickly, have very specific requirements in terms of time available, specialised language needs or simply feel that group training is not suitable.

### PROGRAMME CONTENT

The emphasis is on improving confidence in speaking and listening in a range of everyday situations that the students face outside the classroom.

One-to-one courses are tailor-made to suit the learner's exact requirements and needs. The programmes are personalised, intensive and flexible. Activities are varied to ensure the student has every opportunity to participate and improve skills.

Flexibility is the keyword for Intensive One-to-One Courses. We recommend a minimum of 15 hours with no maximum.

Many students choose to combine group tuition with one-to-one tutorials to get the most out of their stay with us.

You may also choose to take your individual tuition with one or two other colleagues, making a 2-to-1 or 3-to-1 course.
